

Proposal of the board of directors of Castellum AB (publ) to the shareholders at the annual general meeting in respect of the acquisition and transfer of own shares

I Aim

The board of directors suggests, for the purpose of acquiring shares in order to adapt the capital structure of the company to the company's need for capital over time and hence contributing to an increase of the shareholder value and in order to be able to transfer shares in connection with possible acquisitions, that the shareholders, at the annual general meeting on March 26, 2009 authorises the board of directors, until the next annual general meeting of the shareholders of the company, to decide on the issue of acquisition and transfer of own shares in accordance with what is stated below. 1. Acquisition of shares may be carried out only to the extent that the company, after each acquisition, will own a maximum of 10 % of the total shares in the company.
2. Acquisition may take place through trading on the NASDAQ OMX Stockholm AB (the "Stock Exchange").
3. Acquisition on the Stock Exchange may be carried out only at a price per share which is within the registered price level at the time.

5. Acquisition of shares may be carried out on one or several occasions.

III Authorisation to decide on the transfer of own shares

The board of directors is authorised, until the next annual general meeting of the shareholders of the company, to decide on the transfer of shares in the company as follows:

2. Transfer of shares may be carried out by trading on the Stock Exchange or in any other way with deviation from the shareholders' preferential rights.
3. The transfer of shares on the Stock Exchange may be carried out only at a price per share which is within the registered price level at the time.
4. Payment for the transferred shares shall be made out in cash, in kind, through set off against a claim on the company or shall otherwise be made according to set conditions.
5. Transfer of shares may be carried out on one or several occasions.

The reason for deviating from the shareholders' right of priority and the rationale behind the selling rate, is to obtain the best possible conditions for the company.
